

# Walk The Walk!

The Parish Council is encouraging the use of the extensive footpath network within the Parish Of Awre. To help, we have created a free map showing the Public Footpaths which is available from Blakeney Post Office or the Parish Council website - [www.awre-parish-council.org.uk](http://www.awre-parish-council.org.uk).

The network of paths has historic value as some of the paths once provided the only link between properties and communities within the parish. Some were also used by the 'Posties', before the arrival of the 'red van'.

We would like to encourage people to explore them at the same time as getting valuable exercise and we are working in conjunction with the County Council's Public Rights of Way team in clearing paths and replacing signs.

Please contact the Parish Clerk for more details - 516518
